### **UGACard Office and Cashier's Window to move within Tate Student Center**

ATHENS, GA – Due to construction associated with the University of Georgia's Tate Student Center Expansion and Renovation project, the UGACard Office and Cashier's Window will temporarily move their operations to the former Tate Gameroom. The moves will take place on Thursday and Friday, March 27-28, 2008.

The UGACard Office will be unable to produce identification cards and employee badges during this two-day period. Passport Photo Services will continue to be available, and a staff member will be on site to handle problems with existing cards in the current location next to the Cashier's Window.

The UGACard Office will reopen for card production in the new location on Monday, March 31.

The Cashier's Window will continue to sell tickets during the move.

For more information, call 706-542-8074.

##

The UGACard Office and Cashier's Window are services of the Department of Campus Life within UGA's Division of Student Affairs.
